

The Pioneer Region of USA Volleyball registration information.

You must submit your application for registration prior to participating in any sanctioned event including tryouts. This is a USA Volleyball requirement. This is just an application and does not commit you to any club or to USA Volleyball. There is **no payment** due online at time of application. All payments are made by the junior club you choose to participate in.

Go online to the Pioneer Region website to enter your membership application. Before clicking on the link below please read all the instructions.

<http://www.pioneervb.com>

NEW Players: Click on New Member tab under the registration heading and proceed to register. After registering you will receive an e-mail from USA Volleyball giving you your log-in and password. If you do not get it in a few minutes check your junk mail or spam folder. Go back into the site and login. Follow the instructions to complete your registration. For the Club selection please select: **UNDECIDED**. Parents, you will need your driver's license for the electronic signature. If you have any problems or questions, please contact Jack McElveen at jack_mcelveen@nkjv.net.

Existing Members (Players registered last season): Click on Existing Member tab under the registration heading. You will then click on the Tab: **Login** and will be taken to the page to renew the membership.

If you were registered in another region within the last 2 years let Jack McElveen know and he will have you switched over to the Pioneer Region before you can register in Pioneer region. Contact Jack at jack_mcelveen@nkjv.net

A few points to remember:

For the Club selection please select: **UNDECIDED**.

This is just an application; you are not a member until NKJV sends in the membership fee. The membership fee will not be sent in until after teams are confirmed. There is no online payment.

Save your login and password for future renewals.
