

## The Pioneer Region of USA Volleyball registration information.

Players that were registered last season will begin receiving e-mails on or around Sept 1<sup>st</sup>. You will be receiving your login and password information in this e-mail. Please go ahead and get your registration completed right away. If you do not receive this e-mail during the 1<sup>st</sup> week or so of September then please contact me and I will get the information for you. jack\_mcelveen@nkjv.net You must register this year before you will be allowed to tryout. This does not commit you to any team or club it just gets you into the system as required by USA Volleyball.

**\*\*\*New for 2010 season tryouts: You must register prior to tryouts or you will not be allowed to tryout.\*\*\***  
**\*\*\*This is a USA Volleyball requirement\*\*\***

Go online to the Pioneer Region website to enter your membership application.

<http://www.pioneervb.com>

**NEW Players:** Click on Juniors at the top of the page under the CLUB heading. You will then click on the Tab: **NEW** and proceed to register. After registering you will receive an e-mail from USA Volleyball giving you your log-in and password. Go back into the site and login. Follow the instructions to register. Parents, you will need your drivers license for the electronic signature. Let me know if you have any problems or questions.

If you were registered in another region with in the last 2 years let me know and I will have to have you switched over before you can register in Pioneer region. jack\_mcelveen@nkjv.net

\*\* We are listed as NKJV for team selection

This is just an application, you are not a member until the on-line signature has been completed & NKJV sends in the membership fee. The membership fee will not be sent in until after teams are confirmed.

**Very Important!!!**

**New Members:** When you go to the site you will be asked for your name and email address...a password will be sent to the email address. If you do not get it in a few minutes check your junk mail or spam folder!
